

RIDE-A-TEST

March 4, 2023

By Jinny Johnson

Donna Meyer spent a busy day Saturday, March 4th scoring our dressage tests and then giving us pointers on how to improve our scores (and our riding)!

The weather was perfect for us. The footing was also perfect and the horses were all well behaved. Donna has a USDF “I” and judges frequently. She had some valuable tips for us. “At least show some flexion on the loop in the test, even if you can’t get bending. The judge will give you some credit if at least you can get some flexion!” I appreciate the advice.

Donna also has a “R” for Western dressage that Cabrina took advantage of with her Riyad.
