## Equine Evening with the Brazos Extension Horse Committee 2-6-2024

Several members of BACH turned out to listen to the 4 lectures lined up by the Horse Committee and man a table to promote BACH in the horse community.

Members Amy Raines and Bess Bruton made the arrangements and created the wonderful banner that we displayed behind the table which was strewn with chocolates and flyers and forms about the club and BACH activities.

There was a lot of interest in the club. Someone asked me how long the club had been around. When I told them "30 years" they were amazed.

The food provided was delicious and, adding to the evening, two of our members won a door prize! How likely is that!

I highly recommend the next Horse Council event!

Sarah Martin, Bess Bruton and Jiiny Johnson man the BACH table.
